

Florida Anthropological Society 62nd ANNUAL MEETING
MAY 7-9, 2010
FORT MYERS

The Florida Anthropological Society (FAS) is holding its 62nd Annual Meeting in Fort Myers on May 7th through 9th, 2010. The statewide meeting is being hosted by the Southwest Florida Archaeological Society and consists of professional workshops, presentations on current archaeological research from around the state, and tours to local venues. The FAS conference is geared towards cultural resource professionals, avocational archaeologists, historic preservationists, faculty and students in related fields, and the interested public with an anticipated attendance of 200.

The welcoming reception will be held at Mound House – a regionally significant archaeological and historic site operated by the Town of Fort Myers Beach. The reception is co-sponsored by the Florida Archaeological Council who distribute the prestigious “Stewards of Heritage” Awards to deserving avocationalists and community leaders at the reception. The research presentations will occur on Saturday, May 8th at the Harborside Convention Center with tours to the Randell Research Center at Pineland and Ah-Tah-Thi-Ki museum at Big Cypress on Sunday, May 9th.

Your sponsorship is critical to the success of this important annual meeting. All sponsors are acknowledged in the Annual Conference Program, in publicity materials about the conference, and at the vendor area in the grand foyer of the Harborside Convention Center.

Join your colleagues and other professionals, consultants, and vendors to learn about current research across the state and the services, products and opportunities in the field of archaeology and related businesses. Sponsorship at levels of \$250 and above includes complimentary vendor space.

Vendor registration and sponsorship forms are enclosed. See you in Fort Myers!

All contributions are tax deductible as allowable by law. Documentation of the sponsor’s gift will be provided by the Florida Anthropological Society, a non-profit corporation with 501(c)(3) tax-status.

Florida Anthropological Society 62nd ANNUAL MEETING
